### COUNCIL COMMUNITY GRANTS CLOSING SOON

Council's Community Grants programs and Regional Arts Development Fund are closing on April 18.

Visit the Grants, Sponsorship and Donations page for more information, including eligibility criteria.

If you would like to discuss your application, contact Council's Grants Officer for a confidential discussion.

### CONSIDER NEED FOR PERMIT BEFORE VERGE WORKS

Residents are reminded that permits may be needed for work on footpaths and road verges around Cook Shire.

Works which could require a Council permit, formal risk assessment and traffic management include concreting, tree lopping or digging.

Residents are not expected to obtain a Council permit to mow or prune their verges, however care should still be taken for the safety of pedestrians and vehicles as well as noise considerations before 7am and after 5pm.

For more information, contact Council's works department on 4069 5444.

### COOKTOWN POOL CLOSED

The Cooktown Swimming Pool is undergoing maintenance in April and May.

The pool will be closed from April 29 for approximately two months for tile and painting work and pipe installation.

Council would like to acknowledge the partnership between Council, the Cooktown State School and Education Queensland.

### HALF BOAT RAMP CLOSURE

The seaward side of the Cooktown boat ramp will be closed on April 16.

The boat ramp will be used to offload up to 800 passengers from the Crystal Symphony cruise ship, scheduled to arrive at 8am, weather dependent.

### LIBRARY WORKSHOP SPACE

The Cooktown Library is inviting anyone who would like to host a workshop or start a creative club or group to make use of our new central space.

The library central space, thanks to funding from the State Library of Queensland, was used for the first time last week by the Cooktown District Community Centre's 60s and Better program.

Cooktown Library receives financial assistance from the Queensland Government through the State Library of Queensland.

To book the space, contact the library on 4069 5009.

### REGISTER NOW TO BE PART OF COOKTOWN EXPO 2020

Locals have a golden opportunity to be part of the events team working on the Cooktown Expo 2020, under the guidance of internationally-experienced festival producer Merryn Hughes.

Council is calling for expressions of interest for a casual talent pool to work with our events team in the lead up to the Expo, which will be held between June and August 2020. Council is seeking candidates with skills in the following areas: administration, project management and coordination, contracts and insurance, operations management, event management, venue management and arts and culture.
