

Put your \$ where your  is
and **#buylocal** to support
Cook Shire businesses during the
coronavirus pandemic

Many of us are struggling right now, but there is a small choice we can all make to help support each other. Keeping your money in Cook Shire **will** make a difference to our local businesses.

Cook Shire Council is calling on residents to make the choice to **#buylocal** and support the regional economy to help keep local people in jobs.
