

# MT TULLY GREEN WASTE DISPOSAL SITE

Council manages a commercial green waste disposal site at Mount Tully, on Endeavour Valley Road outside Cooktown. The site is for commercial green waste disposal only, and is not open to the general public.

Unfortunately the site has been misused with illegal dumping and fires being lit, which could result in Council being fined by the Department of Environment and Science if not rectified.

Council is calling for the public's support to ensure the site remains open for use by our local contractors. Continued misuse of the site will result in a permanent closure.

To report illegal dumping or unauthorised access at the Mount Tully green waste disposal site, please contact Council's waste team.
