## Community Events Centre Update - Architect Appointed

The architect and other consulting services for the facility have now been appointed.

The Community Events Centre Advisory Committee met last week to discuss initial design considerations with key stakeholders. The design process will take approximately 4 months and the tender for construction of the facility will occur after this process is completed. The aim is still to commence construction before the wet season.

Any queries please contact Sian Nivison, Community Services Manager on 4069 5444.

## Be a Responsible Dog Owner

Council would like to remind all dog owners of their legal obligation to keep animals on a leash at all times while in public. Regardless of the nature of your dog, if it is unrestrained it may make others uncomfortable and has the potential to cause disruption. This is particularly pertinent in crowded places such as the markets or other local gatherings. In addition, the animal may be in danger itself with the potential for it to be lost, stolen or injured by traffic. So please consider the welfare of others and your pet by keeping dogs restrained at all times.

For further information please contact Council's Animal Control Officer, on 4069 5444

## Free Governance Workshop for Committees

A free basic introductory workshop of what is required from voluntary members of boards and committees is being held in April.

Council encourages community and sporting organisations and committees to attend this workshop to be held on Wednesday 22<sup>nd</sup> April 2009 from 6-30pm to 9.00pm at the Lion's Hall.

For further information please contact Sian Nivison, Community Services Manager on 4069 5444.
