COOKTOWN *expo* 2020

POSTPONED

Cooktown Expo 2020 will be postponed due to the coronavirus pandemic, but we are committed to holding an economy-boosting event next year to help support the region.

Plans are underway for the re-scheduled event, which will focus on supporting local communities and providing economic stimulus. We will work with those involved in the event to re-negotiate arrangements for a re-scheduled Expo.

Thank you to everyone for your support of our event, and we look forward to working with you for a re-imagined event next year!
