## **STARTING DECEMBER 23** **Botanic Gardens, Nature's PowerHouse and** **Queen's Oval car park upgrade**

Council is upgrading the three car parks and entrance to Nature's PowerHouse, the Botanic Gardens and the Queen's Oval, and a section of Finch Bay Road. Work will start on January 8, and is planned to be completed by early March (weather dependent), however Nature's PowerHouse Visitor Information Centre, gallery and cafe will be closed from December 23 for the duration of the works. Road users are advised to expect minor delays and traffic changes on Finch Bay Road and asked to obey all signage.

Visitor Information Centre services will be available at Council's main office at 10 Furneaux Street. Access to the Botanic Gardens and Queen's Oval will be available via Furneaux Street.

Council apologises for the inconvenience caused by the works, and thanks you for your patience while we improve your infrastructure.
