Kwikbridge Pty Ltd  
Attn: Graham Cornett  
Suite 2A, Level 1, 41 Denham St  
Townsville Qld 4810

Dear Graham Cornett,

**SMP1507- Species Management Program – Cooktown Shopping Centre**

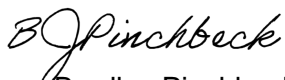

Thank you for your application for a Species Management Program (SMP) dated 2 November 2023 for tampering with an animal breeding place where there is a low risk of impacts. A SMP is required where an animal breeding place has been identified and activities are proposed that would tamper with the breeding place. This low risk SMP applies to least concern animals (excluding special least concern or colonial breeders) associated with your nominated project Cooktown Shopping Centre.

This letter is to advise that the attached SMP is approved for activities in relation to the project being undertaken on Lot 212/C17915, 81 Savage Street, Cooktown, QLD, 4895, in accordance with the SMP terms and conditions and with your supporting documentation submitted to the department dated 2 November 2023.

The Cooktown Shopping Centre, managed by Kwikbridge Pty Ltd, is registered with the Department of Environment and Science as an approved SMP. This approval remains in effect until midnight on 30 November 2025. Please note that, unless otherwise authorised, you are no longer approved after this date to tamper with an animal breeding place.

Should you have any further enquiries, please contact Alison O'Sullivan, Project Officer, of the Department of Environment and Science by telephone (07) 5669 2037 or email [wildlife@des.qld.gov.au](mailto:wildlife@des.qld.gov.au) (quote ref SMP1507).

Yours sincerely

Bradley Pinchbeck  
**A/Senior Project Officer**
