SECTION 5: METER LOCATION (NEW AND RELOCATIONS ONLY)

Preferred location of meter (e.g. 1 metre from L/H boundary or draw a plan showing meter location on the back of this form). This is a preferred location only. Location may be subject to location of water main.

Council is responsible for the water connection up to and including the water meter. Any plumbing connection from the water meter to the property must be carried out by a licensed plumber holding a current Queensland Building and Construction Commission (QBCC) licence. All appropriate permits must be obtained prior to works commencing.
