ASSESSMENT BENCHMARKS

The following Assessment Benchmarks applied to the development from the following Categorising Instruments:

Assessment Benchmarks	Comment
<i>Planning Regulation 2017</i> (Schedule 9)	Schedule 9 is not applicable as the application is not for building work under the Building Act.
<i>Planning Regulation 2017</i> (Schedule 10)	The application does not triggered a referral to the State Assessment Referral Agency (SARA) under Schedule 10 of the Planning Regulations 2017.
Regional Plan	Section 2.2 of the Planning Scheme identifies that the Cape York Regional Plan has been adequately reflected in the Planning Scheme. A separate assessment against the Regional Plan is not required.
State Planning Policy (SPP), Part E	Section 2.1 of the Planning Scheme identifies that the superseded version of the State Planning Policy is integrated in the Planning Scheme. A review of the current version of the SPP (July 2017) and assessment benchmark mapping applicable to Part E has determined that no additional assessment provisions in the current SPP (Part E) or updated mapping are applicable requiring further assessment against the SPP. However, amendments to any part of the SPP or supporting mapping may result in a local planning instrument no longer appropriately integrating a particular State interest. In these instances the SPP and/or the supporting mapping apply to the extent of any inconsistency.
Temporary State Planning Policy	There are no Temporary State Planning Policies.

Local Categorising Instrument (Cook Shire Council Planning Scheme 2017):

- Rural Residential Zone Code;
